Union Street Inn Earns Two Top Honors from Fodor's Travel

*Selected as Top 10 Most Romantic Hotel in the U.S. and
Receives Third Consecutive Fodor's Choice Award*

Nantucket, MA, July 12, 2010—Union Street Inn has been recognized by Fodor's Travel as one of the Most Romantic Hotels in the US (*Fodor's Choice Gold Award*) and has been named a *Fodor's Choice 2010 Award* winner for the third consecutive year. The inn was the only New England property selected as a top destination for a romantic getaway and was one of two Nantucket establishments to receive the *Fodor's Choice* distinction.

The *Fodor's Choice Gold* and *Fodor's Choice 2010* awards recognize Union Street Inn as a leader in the hospitality industry for service, quality and value. Each year, Fodor's writers experience, examine and evaluate thousands of hotels, restaurants and attractions in their travels across the globe. Only fifteen percent of businesses included in Fodor's guides receive the *Fodor's Choice* designation from editors. From this list, Union Street Inn was awarded the additional *Choice Gold* distinction for delivering an exceptional romantic experience. Fodor's says of Union Street Inn, "Ken Withrow worked in the hotel business, Deborah Withrow in high-end retail display, and guests get the best of both worlds. This 1770 house, a stone's throw from the bustle of Main Street, has been respectfully yet lavishly restored. Guests are treated to Frette linens, plump duvets, and lush robes (the better to lounge around in, my dear), as well as a full gourmet breakfast served on the tree-shaded garden patio."

"We are thrilled to receive these distinctions from Fodor's," says Ken Withrow, owner, Union Street Inn. "It is gratifying to be recognized for the work we do to ensure quality and memorable experiences for our guests."
